Anyone wishing to enter an exhibit should fill out an entry form and send it in by August 26th. Please make all entries at one time. Pre-registration is recommended to avoid confusion. Once tents have reached their maximum capacity the fair committee may cut off accepting entries.

All livestock must have been owned or managed by the exhibitor at least six months prior to the fair or, if less than six months of age, must be the offspring of livestock owned or managed by the exhibitor for six months prior to the fair. Current year 4-H projects are eligible and not restricted by the 6 month rule.

Be sure to read the exhibitors information carefully. Check your registration form before sending it in to make sure you have listed the correct classes, sections and lot numbers. Also, please note the deadlines for submitting your exhibits.
