

To Exhibiting!

Dear Exhibitor,

Thank you for your interest in the Wapping Fair. Without your participation, we wouldn't be an agricultural fair. To make showing at Wapping a safer and pleasurable experience, we would like to emphasize a few of the procedures in place at the fair.

Be sure to read this exhibitor book carefully. Check your registration form before sending it in to make sure you have listed the correct classes, sections and lot numbers. Also, please note the deadlines for submitting your exhibits.

Check-In

- The Animal tents will be open from 4 p.m. to 5:30 p.m. and after 7:30 p.m. on Friday to help facilitate the check-in process. Get here before the fair opens at 6:00 p.m. to avoid the traffic!
- The Agriculture & Arts area will be accepting non-perishable entries starting on Tuesday morning and continuing through Friday evening (see schedule on next page). **ENTRIES WILL BE ACCEPTED ONLY UNTIL 9AM ON SATURDAY.** After that time the exhibit tent will be closed so that judging may start promptly.
- Both the Animal and Agriculture & Arts Exhibit tents will be open starting at **7:30AM SATURDAY MORNING for final drop-offs.**

For those showing livestock, please check-in before removing your animals from the truck. Health papers must be checked and animals examined before the animals are unloaded.

When picking up exhibits on Sunday, please have your claim checks with you. No exhibit will be released without the stub. We don't want anyone walking off with your wonderful entries.

Please note that you will forfeit your premium money if you remove your exhibits prior to 5 p.m. on Sunday evening or if you do not pick up your exhibit at all. Remember part of being an exhibitor is letting others appreciate your talents and they cannot do that if the exhibits are not on the fairgrounds.

Finally, we ask that you submit your entry form by the August 31st deadline, so that on Saturday Sept. 11th you can pick up your pre-printed tags and display your wonderful exhibits. Without prior registration you may be limited to the number of items you can enter and the process takes much longer to prepare the paperwork and exhibit tags.

Thank you for your cooperation!
